Dear Parents, Caregivers and Community members,

I trust you all had a fabulous Easter break and have started this term with zest and enthusiasm.

**ANZAC Ceremony**

Today we held our ANZAC Assembly. The student council conducted the ANZAC day assembly and I am extremely proud of the way all students conducted themselves in such an important event.

**Duty of Care**

I would like to remind parents that students are not to be at school before 7:45am. Students are asked to move to the under covered area when they arrive where the appropriate supervision can be provided by the administration team. Students are then dismissed to classes at 8.05am.

On a similar note, Mr. Ross, Mrs. Edwards and I supervise children leaving every afternoon to ensure their safety. The Bus Zone is a no go zone for cars. Please do not drive through this. Unfortunately there have been times in which Mr. Ross and Mrs. Edwards have not been spoken to very pleasantly. Please remember we are there in the afternoons to ensure student safety.

**Attendance**

Regular attendance at school is essential for students to engage with the full scope of the curriculum and opportunities that are presented at school. Regular attendance is deemed as 90% and above. If your child is absent from school for any reason the school needs to be informed. This can be done in the form of a note to the teacher or contacting the front office. If your child is absent due to illness for three days or more you are required to supply a medical certificate. If you have concerns about your child's attendance at school we have an attendance team only too happy to assist.

If your family is going on holiday during the school term, please inform the school in writing prior to going.

**P & C**

Congratulations to a very successful P & C meeting which has now secured a treasurer. The uniform shop currently has a sale on with the current shirts on sale for $20. An additional Uniform shop day will be added next week only. It will be open on Thursday and Friday. If you would like to complete an order for uniforms please collect an order form from the front office.

Can parents please ensure that all students personal information is up-to-date. If any details such as address, contact numbers or medical information has changed please inform the office as soon as possible.

Voluntary contributions are now due as invoices have been sent out. These contributions are used to assist with purchasing resources for your child/children’s education. Every dollar the school receives is vitally important to ensure we can maintain the resources we supply. Prompt payment of your account would be greatly appreciated, we can offer payment plans and payments can be made by cash, EFT Pos and Direct Deposit.
